Session 01: This is hard different.

Session 02: Maintaining a trauma informed lens.

Session 03: Responding to participant disclosures.

Session 04: Teaching about communication is even more important.

Session 05: Find and/or make curriculum that works online.

Session 06: Synchronous vs asynchronous: the ups and downs.

Session 07: Developmental appropriateness matters.

Session 08: Talk with parents, caregivers, and guardians.

Session 09: Know that this is going to be awkward for everyone.

Session 10: Practice self-care and self-compassion.

Ready to dive in? It's only \$150 per person (on a sliding scale down to zero). You can sign up for our English or Spanish series by going to unhush.us/training. Interested in a custom series designed around your curriculum? Maybe you'd like a 1 or 2 hour workshop covering a topic above? Let us know by emailing info@unhushed.org for more information, we're here to help.
